

# CCR Reports

The Village of Winnebago has available upon request this year's Consumer Confidence Report (CCR). The CCR contains basic information on the source(s) of your drinking water, the levels of any contaminants that were detected in the water in that specific reporting period, and compliance with other drinking water rules, as well as some educational materials. To obtain a free copy of the report you may pick one up at the Village Office, 108 W. Main Street, Winnebago IL or click on the link on this page.
